Parent Portal Log In

It was lovely to see you all at Parent's Evening earlier in the week. At these meetings your child's teacher will have handed to you your child's personal log in details. This will enable you to access your child's educational information on line. I will be making available the computers in the Library area from Monday 27th March till Friday 31st and Monday 3rd April till Thursday 6th April from 3.15pm if you require any assistance. I am delighted to see that 1/5th of you have already signed in to have a look. Please find a feedback slip below to let me know how you got on with this new system All feedback will be gratefully received so that we can make further improvements. Helen Coles

Book Quiz

On Thursday 9th March a team of Year 5 children and Year 4 children took part in the Dudley School's Book Quiz. The children had to read between 6-10 books each and have knowledge of the authors who had written them in order to face the other schools by answering a series of questions. Even though we did not proceed to the semi-finals, the scores were very close with Years 3 and 4 only being one point behind the leading school and Years 5 and 6 4 points behind. All children involved worked extremely hard in reading the books and were fantastic ambassadors for the school, Mrs Brettle is extremely proud of them for their professional attitude and extensive knowledge.

pupil's wonderful
homework
projects
Well done

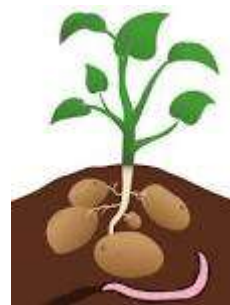

Please help us by having your child's PE Kit in school every Monday. Remember this needs to be clearly labelled with their name and children with long hair need to have their hair tied back. As our children love reading, please remember to bring their reading books into school every day.

PLEASE NOTE

Outside Year 1 the children have been very busy planting peas, beans and potatoes.

Please remind the children not to dig in the pots! Thank you.

Thank you for supporting us with Red Nose Day. We have raised over £173.85... Brilliant
